3379dfc024 Lord Peter Wimsey's brother, the Duke of Denver, has taken a shooting lodge at Riddlesdale in Yorkshire. At 3 o'clock one morning, Captain Denis Cathcart, the fiancé of Wimsey's sister Lady Mary, is found shot dead just outside the conservatory. Mary, trying to leave the house at 3 am for a reason she declines to explain, finds Denver kneeling over Cathcart's body. Suspicion falls on Denver, as the lethal bullet had come from his revolver and he admits having quarrelled with Cathcart earlier, after receiving a letter informing him that Cathcart had been caught cheating at cards. He cannot produce the letter, and maintains that he stumbled across the body after returning from a walk on the moors, but will say no more.

In the *New York Times*, this novel was not considered "Mrs Christie's best, but she has produced a much-better-than-average thriller nevertheless", which is a view shared by "Torquemada" (Edward Powys Mathers), who called this "the least of all the Poirot..."
