[Wikipedia:Language learning centre/Word list](#) You can use the list to generate your own lists in whatever language you're learning and to test yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource. reformulation

reformulations refract refracted refracting refraction refractions
refractive refractors refractory refracts refrain refrained
refraining Drawing up a comprehensive list of words in English is
important as a reference when learning a language as it will
show the equivalent words you need to learn in the other
language to achieve fluency. A big list will constantly show you
what words you don't know and what you need to work on and
is useful for testing yourself d7cdd4673c
