As of December 2024, there are 433 official units of the National Park System. However, this number is somewhat misleading. For example, Denali National Park and Preserve is counted as two units, since the same name applies to a national park and an adjacent national preserve. Yet Jean Lafitte National Historical Park and Preserve is counted as one unit, despite its double designation. Counting methodology is typically based on the language of a park's authorizing legislation. 3b82d73cd2 == History == 3b82d73cd2 == Overview == 3b82d73cd2 In addition to areas of the National Park System, the National Park Service also provides... 3b82d73cd2
