Education in India includes a two-year pre-university course (PUC) after the completion of secondary education (10th grade). Under various articles of the Indian Constitution and the Right of Children to Free and Compulsory Education Act, 2009, free and compulsory education is provided as a fundamental right to children aged 6 to 14. The approximate ratio of the total number of public schools to private schools in India is 10:3. The PUC is commonly referred to as junior college Education in India is primarily managed by the state-run public education system, which falls under the command of the government at three levels: central, state and local 0adc017b34
