The collection was seen as quite negative by scholars. The film scholar Kristin Thompson felt that the book's denigration of Jackson was disappointing, and that too many of the essays were catalogues of differences between film and book, complete with adverse commentary. In her view, these made the error of assuming that Jackson was trying to be as faithful as possible to the book, and failing; whereas he was instead aiming to please a modern audience, with intentional changes. Other scholars gave mixed responses, while noting that the collection...
