Political aspects of Islam The Challenge of Fundamentalism: Political Islam and the New World Disorder. Shortly after its founding, Islam's prophet Muhammad became a ruler of a state, and the intertwining of religion and state in Islam (and the idea that "politics is central" to Islam), is in contrast to the doctrine of rendering "unto Caesar what belongs to Caesar and to God what belongs to God", of Christianity, its related and neighboring religion. [1998]. "The Context: Globalization, Fragmentation, and Disorder" . Comparative Political aspects of the religion of Islam are derived from its religious scripture (the Quran holy book, ḥadīth literature of accounts of the sayings and living habits attributed to the Islamic prophet Muhammad, and sunnah), as well as elements of political movements and tendencies followed by Muslims or Islamic states throughout its history 89e445238b

Global financial system Globalization of International Financial Markets: What Can History Teach Us. At the onset of World War I, trade contracted as foreign exchange markets became paralyzed by money market. The global financial system is the worldwide framework of legal agreements, institutions, and both formal and informal economic action that together facilitate international flows of financial capital for purposes of investment and trade financing.
