Khnumhotep and Niankhkhnum are believed by scholars, including Thomas Dowson, and Greg Reeder, to be the first recorded same-sex couple in ancient history. The assumed romantic relationship between Khnumhotep and Niankhkhnum is based on depictions of the two men standing nose to nose and embracing. Niankhkhnum's wife, depicted in a banquet scene, was almost completely erased in antiquity, and in other pictures Khnumhotep occupies the position usually designated for a wife. Their official titles were "Overseers of the Manicurists of the Palace of the King". Critics argue that both men appear with their respective wives and children, suggesting... ba510bb214

Years AD are counted forward since that epoch and years BC are counted backward from the epoch. There is no year zero; the year AD 1 immediately follows the year 1 BC. The system was devised in 525, in Rome, by the Eastern Roman monk Dionysius Exiguus, but was not widely used until the 9th century. Modern scholars believe that the actual date of the birth of Jesus was about 5 BC. ba510bb214 == Life and work == ba510bb214 First introduced in the 1860s as a scarlet jacket in club or plain colours for boating or cricket, it began to shed its sporting associations in the 1930s. The double-breasted navy version in particular established itself as a staple of classic style, occupying a space between the casual tweed jacket and the formal dark suit, and soon became linked to the lifestyle of wealthy elites. Coloured variants, however, continue to appear in some circles as semi-active sportswear, notably after cricket or rowing. ba510bb214 Words with specific American meanings that have different meanings in British English and/or additional meanings common to both dialects (e.g., pants, crib) are to be found at List of words having different meanings in British and American English.
