For the first two US releases, the titles used Warrior instead of the original Japanese Quest. This was due to a US trademark conflict with the role-playing game DragonQuest, which was published by Simulation Publications in the 1980s until the company's bankruptcy in 1982 and purchase by TSR, Inc., which then published it as an alternate line to Dungeons & Dragons until 1987. In 2003, Square Enix registered the Dragon Quest trademark in the US, making the Dragon Warrior... 0e99ff22b4 Let's Hunt Monsters is based on the player's location in the real world, and the game is centered around moving to find and catch in-game creatures, which are based on entities from Chinese mythology. In order to catch the creatures, players use "spirit orbs" that can be tossed onto the creatures. The spirit orbs themselves are obtainable from "Prayer Drums", derived from real-world locations. The game also contains gameplay elements inspired by massively multiplayer online games, such as "bases" for "guilds" where players can build structures. As of April 2019, there were 302 obtainable creatures. 0e99ff22b4

Catching Fire is a 2013 American dystopian film directed by Francis Lawrence from a screenplay by Simon Beaufoy and Michael deBruyn, based on the 2009 novel *Catching Fire* by Suzanne Collins. The film stars Jennifer Lawrence, Josh Hutcherson, Liam Hemsworth, Woody Harrelson, Elizabeth Banks, Lenny Kravitz, Philip Seymour Hoffman, Jeffrey Wright, Stanley Tucci, and Donald Sutherland. The sequel to *The Hunger Games* (2012), it is the second installment in *The Hunger Games* film series 0e99ff22b4

Dragon Quest Monsters The series' gameplay has been compared to Pokémon. Primarily developed by Tose and published by Square Enix (formerly Enix), it sets the player in a medieval/fantasy world filled with magic, monsters, and knights. The series spans several handheld gaming systems, and each game has received positive reviews from critics. Unlike the original *Dragon Quest* games, the player's character does not do any of the fighting in battles; the player must instead rely on capturing, breeding, and raising monsters to do the fighting for them. *Dragon Quest Monsters 1+2* *Dragon Quest Monsters* is a spin-off series of the *Dragon Quest* games. The character and monster designs are by *Dragon Ball* creator Akira Toriyama. Both *Dragon Warrior Monsters* and *Dragon Warrior Monsters 2* were developed by Tose and published by Enix. The concept originated from *Dragon Quest V* (1992). monster appearances 0e99ff22b4

Lionsgate announced a sequel film based on Collins' second Hunger Games novel in 2012, with Gary Ross initially set to return as director; Ross was replaced with Lawrence that May, while deBruyn completed several rewrites to Beaufoy's screenplay. The main cast was confirmed by September 2012 and principal photography began later that month, lasting until March 2013. Filming locations included Georgia, Hawaii, and New Jersey. The game features the characters Terry and Milly from Dragon Quest VI when they were children, before the events in Dragon Quest VI. Dragon Warrior Monsters is often compared to the Pokémon series due to their similar gameplay. Critics set the games apart by noting the in-depth breeding system seen in this game. In 2010, Of Monsters and Men won the Músíktílaunir, an annual Battle of the Bands in Iceland. They won the European Border Breakers Awards in 2013.
