Tests vary in style, rigor and requirements. There is no general consensus or invariable standard for test formats and difficulty. Often, the format and difficulty of the test is dependent upon the educational philosophy of the instructor, subject matter, class size, policy of the educational institution, and requirements of accreditation or governing bodies. 71b8ad284d

Baccalauréat 'baccalaureate'), often known in France colloquially as the bac, is a French national academic qualification that students can obtain at the completion of their secondary education (at the end of the lycée) by meeting certain requirements.

Also, to ensure greater objectivity on the part of the examiners, the test is anonymous. Though it has only existed in its present form as a school-leaving examination since Emperor Napoleon Bonaparte's implementation on 17 March 1808, its origins date back to the first medieval French universities. Historically, the baccalaureate is administratively supervised by full professors at universities. The grader sees only an exam paper with The baccalauréat (French pronunciation: [bakaloʁea] ; lit. According to French law, the baccalaureate is the first academic degree, though it grants the completion of secondary education. cannot grade that exam 71b8ad284d
