2022 in video games The industry continued its trend of acquisitions and mergers, highlighted by Microsoft announcing its plan to acquire Activision Blizzard for nearly \$69 billion. On February 24, 11 bit studios pledged to donate all profits earned over the following seven days In the video game industry, 2022 saw the lingering effects of the COVID-19 pandemic on the industry, slowing hardware sales for most of the year as well as development delays for major titles. The industry as a whole continued to deal with issues such as workplace harassment and discrimination, alongside crunch periods, leading to at least the quality assurance staff at three separate studios to vote to unionize. to Eastern Europe provided support for Ukrainian aid 588069e175

In several of the cases listed here, the game's developers released the source code expressly to prevent their work from becoming lost. Such source code is often released under varying (free and non-free, commercial and non-commercial) software licenses to the games' communities or the public; artwork and data are often released under a different license than the source code, as the copyright situation is different or more complicated. The source code may be pushed by the developers to public repositories (e.g. SourceForge or GitHub), or given to selected game community members, or sold with the... 588069e175 Production of the ninth-generation consoles, the PlayStation 5 and Xbox Series X/S, remained constrained for the first part of the year, but eased up later in the year. New hardware trends included the widespread availability... 588069e175

A space flight simulator game is software that allows the operator to experience space flight with the added elements of gameplay. There are many different types of simulators. These simulators range in purpose from pure simulation to sheer entertainment. Space flight occurs beyond the Earth's atmosphere, and space flight simulators feature the ability to roll, pitch, and yaw. Space flight simulators use flight dynamics in a free environment; this free environment lets the spacecraft move within the three... 588069e175
