Strategic management Nigel Slack, The Importance-Performance Matrix as a Determinant of Improvement Priority, International Journal of Operations & Production Management, In the field of management, strategic management involves the formulation and implementation of the major goals and initiatives taken by an organization's managers on behalf of

stakeholders, based on consideration of resources and an assessment of the internal and external environments in which the organization operates. Strategic management provides overall direction to an enterprise and involves specifying the organization's objectives, developing policies and plans to achieve those objectives, and then allocating resources to implement the plans. Strategic management is not static in nature; the models can. Academics and practicing managers have developed numerous models and frameworks to assist in strategic decision-making in the context of complex environments and competitive dynamics

New Deal Roosevelt believed that the depression was caused by inherent market instability and too little demand per the Keynesian model of economics and that massive government intervention was necessary to stabilize and rationalize the economy. Gas Act of 1938 Government and Politics of the United States Second Edition by Nigel Bowles, 1998, p. Roosevelt in the United States between 1933 and 1938, in response to the Great Depression, which had started in 1929. 303 "Harry L. Roosevelt introduced the phrase upon accepting the Democratic Party's presidential nomination in 1932 before winning the election in a landslide over incumbent Herbert Hoover, whose administration was viewed by many as doing too little to help those affected. Modern liberalism in the United States United States Second Edition by Nigel Bowles, 1998, P. According to American philosopher Ian Adams, all major American parties are "liberal and always have been. 95-96 Government and Politics of the United States Second Edition by Nigel Bowles, 1998, P. The point of difference comes with the influence of social liberalism. Modern liberalism is one of two major political ideologies in the United States, with the other being conservatism. ". It combines ideas of civil liberty and social equality with support for social justice and a mixed economy. Essentially they espouse classical liberalism, that is a form of democratized Whig constitutionalism plus the free market. 242 James Modern liberalism, often referred to simply as liberalism, is the dominant version of liberalism in the United States
