In folklore, the term "children's songs" is sometimes also used to refer to nursery rhymes. Iona and Peter Opie, pioneers of the academic study of children's culture, divided children's songs into two classes: those taught to children

by adults, which when part of a traditional culture they saw as nursery rhymes, and those that children taught to each other, which formed part of the independent culture of childhood. A further use of the term children's song is for songs written for the entertainment or education of children, usually in the modern era. In practice none of these categories are entirely discrete, since... While popular with its intended audience, Barney & Friends drew severe negative reaction from adults, who mocked the title character in popular culture through song parodies, comedy routines such... While attending McDowell High School, Brown began using watercolors at the suggestion of his art teacher, Nancy Bryan, who supported his future as an artist. In Brown's 2022 inspirational book which compiles quotes and life lessons from...

Marc Brown (author) Clarence Pickle Things Finger Rhymes Witches Four Your First Garden Book Count to Ten Marc Brown's Boat Book Dinosaurs, Beware. A Safety Guide (co-written Marc Tolon Brown (born November 25, 1946) is an American illustrator and children's book author best known for writing and illustrating the Arthur book series, which was later adapted into an animated TV series that aired on PBS Kids and other country channels

Marc Brown was raised in Erie, Pennsylvania, where his father worked on the railroad. He grew up with his three younger sisters Bonnie, Colleen and Kim. As a child, Brown had a close relationship with his Grandma Thora who passionately encouraged him to pursue art from a young age, and captivated him with made-up stories (including scary tales told without her false teeth).
