Graduates of this program are equipped with the skills necessary to foster a supportive and effective learning environment for their students 7f70e381ab

Special education aims to provide accommodated education for students with disabilities... 7f70e381ab

Social studies One of the purposes of social studies, particularly at the level of higher education, is to integrate several disciplines, with their unique methodologies and special focuses of concentration, into a coherent field of subject areas that communicate with each other by sharing different academic "tools" and perspectives for deeper analysis of social problems and issues. The term was coined by American educators around the turn of the twentieth century as a catch-all for these subjects, as well as others which did not fit into the models of lower education in the United States such as philosophy and psychology. com. “Social Studies Teaching Certification | Social Studies Certification” (1984): 183-93. Retrieved 2021-02-10. www. teaching-certification. “National Curriculum In many countries' curricula, social studies is the combined study of humanities, the arts, and social sciences, mainly including history, economics, and civics.
