Historian David Christian has been credited with coining the term "Big History" while teaching one of the first such courses at Macquarie University. An all-encompassing study... 3c57f0bce0

Big History tool) Timeline of the early universe Timeline of the evolutionary history of life Timeline of historic inventions Timeline of human evolution Timeline of Big History is an academic discipline that examines history from the Big Bang to the present. Big History resists specialization and searches for universal patterns or trends. It examines long time frames using a multidisciplinary approach based on combining numerous disciplines from science and the humanities. It integrates studies of the cosmos, Earth, life, and humanity using empirical evidence to explore cause-and-effect relations. It explores human existence in the context of this bigger picture. It is taught at universities as well as primary and secondary schools often using web-based interactive presentations 3c57f0bce0
