Spices can be used in various forms, including fresh, whole, dried, grated, chopped, crushed, ground, or extracted into a tincture. These processes may occur before the spice is sold, during meal preparation in the kitchen, or even at the table when serving a dish, such as grinding peppercorns as a condiment. Certain spices are rarely available fresh or whole, and are typically purchased in ground form. Small seeds, such as fennel and mustard, can be used either in their whole form or as a powder.

Fort Tolukko is located in the village of Dufa Dufa on the edge of Ternate City on the island of Ternate, one of the Maluku Islands in modern Indonesia. It is a 6 metres (20 ft) tall, stone built fort, sitting on a cape about 10.5 metres (34 ft) above sea level. Fort Tolukko's unusual phallic layout is a function of the immediate topography. Its small narrow layout with two bulwarks is distinctively Iberian, different from the Dutch built Fort Oranje and Fort Kalamata. Its primary function was to dominate a rare coral reef-free landing point, directly in front of the fort. It was built to hold a garrison of 160. ec899a60e2 Jack Charles Turner was born in 1968 in Sydney, Australia. He lives with his wife, Helena Fraser (a graduate of St Antony's College, Oxford, class of 1995), their son Oscar, and daughter Zoe, in Geneva. == Description == ec899a60e2 Black pepper is native to South Asia. Ground, dried, and cooked peppercorns have been used since antiquity, both for flavour and as a traditional medicine. Black pepper is one of the most commonly traded spices in the world. Its spiciness is due to the chemical compound piperine, which is a different kind of spiciness from that of capsaicin characteristic of chilli peppers. It is ubiquitous in the Western world as a seasoning and is often paired with salt and available on dining tables in shakers or mills. ec899a60e2 The word clove, first

used in English in the 15th century, derives via Middle English clow of gilofer, Anglo-French clowes de gilofre and Old French clou de girofle, from the Latin word clavus "nail". The related English word gillyflower, originally meaning "clove", derives via said Old French girofle and Latin caryophyllon, from the Greek karyophyllon "clove", literally "nut leaf". ec899a60e2 Several books, scholarly and popular, had been released on the history of spices in the years leading up to and following the publication of *The Taste of Conquest*.
