But with the fall of the Soviet Union and the collapse of communism circa 1990, the party lost power and international support. A factional dispute led to the formation of PCdoB (Communist Party of Brazil) in the 1960s, though both communist parties were united in opposition to the Brazilian military government that ruled from 1964 to 1985. An internal coup in 1992 divided the party and formed a new party, called Popular Socialist. Arguably the oldest active political party in Brazil, it played an important role in the country's 20th-century history despite the relatively small number of members 5e3a104b13

Diagnostic and Statistical Manual of Mental Disorders Other commonly used principal guides of psychiatry include the International Classification of Diseases (ICD), Chinese Classification of Mental Disorders (CCMD), and the Psychodynamic

Diagnostic Manual. It is an internationally accepted manual on the diagnosis and treatment of mental disorders, though it may be used in conjunction with other documents. The Diagnostic and Statistical Manual of Mental Disorders (DSM; latest edition: DSM-5-TR, published in March 2022) is a publication by the American Psychiatric Association (APA) for the classification of mental disorders using a common language and standard criteria. However, not all providers rely on the DSM-5 as a guide, since the ICD's mental disorder diagnoses are used around the world, and scientific studies often measure changes in symptom

As in other miniature wargames, players enact battles using miniature models of warriors and fighting vehicles. The playing area is a tabletop model of a battlefield, comprising models of buildings, hills, trees, and other terrain features. Each player takes turns moving their model warriors around the battlefield and fighting their opponent's warriors. These fights are resolved using dice and simple arithmetic. Autism is likely caused by a combination of genetic and environmental factors, with genetic factors thought to heavily predominate...
