

Ultimate Book Of Franchises

The Ultimate Universe, as a part of a large-scale reboot of the All-New, All-Different Marvel Multiverse, ended at the conclusion of the 2015 "Secret Wars" storyline, when select characters from the Ultimate Universe moved to the mainstream universe. However, writer Brian Michael Bendis established at the end of the 2017 miniseries Spider-Man II that the universe and its superheroes still exist. The protagonists are the X-Men, a group of teen-aged mutants: a subspecies of the human race, who possess latent super-human abilities from birth, due to the presence of the mysterious "X-Gene" within their genetic codes. It sets them apart from the rest of humanity and despite being feared and distrusted by the general public and authorities, they use their super-powers to prevent and stop unnatural threats to both the human and mutant race, while being mentored by Professor Charles Xavier, the X-Men's founder and a world-renowned expert on genetics and the world's most powerful telepath. The series features many characters and storylines similar to those of the original X-Men series. Ultimate X-Men almost completely ignores supernatural or mystical elements as plot devices, and the...
