Kill stealing Kill stealing is common when the rewards for finishing enemies off are highly desired within the game. MMORPGs and MUDs, kill stealing is the practice of obtaining credit for killing an enemy when another player has put more effort into the kill. This usually happens when a game only keeps track of which player defeats an enemy, rather than which player dealt the most damage, leading to the so-called last-hitting mechanics. If one player whittles down some enemy's health points, but a different player eventually finishes the enemy off, this second player might obtain all of the loot or experience points from the enemy. This usually In multiplayer video games, particularly in MOBAs, first-person shooters, MMORPGs and MUDs, kill stealing is the practice of obtaining credit for killing an enemy when another player has put more effort into the kill 0fe29c4245

Overseen by one-time producers Nando Pisani and Luciano Catenacci of F.U.L. Films, Kill, Baby, Kill was considered to be a small-scale project compared to Bava's earlier films, as it was made without internationally recognized stars or the support of a major distributor. Although a complete script was written by Migliorini and Natale prior to the start of production, Bava claimed that much of the film was improvised. Shot partially on... 0fe29c4245

The film is known for its violence, provocative gender roles, and eminently quotable "dialogue to shame Raymond Chandler". It is also remembered for the performance of star Tura Satana, whose character Richard Corliss called "the most honest, maybe the one honest portrayal in the Meyer canon and certainly the scariest". Faster, Pussycat! was a commercial and critical failure upon its initial release, but it has since become widely regarded as a cult classic and influential film. 0fe29c4245

Longest recorded sniper kills As weapons, ammunition, and aids to determine ballistic solutions improved, so too did the distance from which a kill could be targeted. In November 2023, the record was once again broken by 58-year old sniper Viacheslav Kovalskiy of the Security Service of Ukraine, who shot a Russian. Snipers have had a substantial history following the development of long distance weaponry. In mid-2017 it was reported that an unnamed Canadian special forces operator, based in Iraq, had set a new record of 3,540 m (3,871 yd), beating the record previously held by an Australian sniper (also unnamed) at 2,815 m (3,079 yd). involving a "through the scope" shot which killed an enemy sniper specifically hunting him, and a multiple-day solo stalk and kill of an enemy general Reports regarding the longest recorded sniper kills that contain information regarding the shooting distance and the identity of the sniper have been presented to the general public since 1967 0fe29c4245
