For example, a student can be promoted in a math class but retained in an English class. Most elementary school grades (kindergarten through 5th grade) are taught all subjects in one classroom for the whole day, with exceptions in art and

athletics. In these grades, the student who fails or scores below the accepted level in most or all subjects is to be considered for retention. If ultimately retained, the student will then repeat the entire school year's curriculum. Located on the campus of California State University, Dominguez Hills, CAMS shares many facilities with the university, including the gymnasium, the student union, the tennis courts, the pool, the library and a few of the parking lots.
