An enrichment program teaches additional, deeper material, but keeps the student progressing through the curriculum at the same rate as other students. For example, after the gifted students have completed the normal work in the curriculum, an enrichment program might provide them with additional information about a subject. An acceleration program advances the student through the standard curriculum faster than normal. This is normally done by

having the students skip one to two grades. d394d7b83e Other types of reading and writing, such as pictograms (e.g., a hazard symbol and an emoji), are not based on speech-based writing systems.
