Honourable Artillery Company eBay. Honourable Artillery Company The Honourable Artillery Company (HAC) is a reserve regiment in the British Army. "Genuine British Army HAC Honourable Artillery Company Stable Belt Material" "Honourable Artillery Company - Medal Ribbon". The word "artillery" in "Honourable Artillery Company" does not have the current meaning that is generally associated with it, but dates from a time when in the English language that word meant any projectile, for example arrows shot from a bow. Incorporated by royal charter in 1537 by King Henry VIII, it is the oldest regiment in the British Army and is considered the second-oldest military unit in the world. The equivalent form of words in modern English would be either "Honourable Infantry Company" or "Honourable Military Company". Today, it is also a charity whose purpose is to attend to the "better defence of the realm", primarily through supporting the HAC regiment
