Diving activities 58. Several underwater sports are available for exercise and competition. People may dive for various reasons, both personal and professional. Recreational diving is purely for enjoyment and has several specialisations and technical disciplines to provide more scope for varied activities for which specialist training can be offered, such as cave diving, wreck diving, ice diving and deep diving. London: Stanley Paul & Co Ltd. (1985). ISBN 0-09-163831-3 Diving activities are the things people do while diving underwater. While a newly qualified recreational diver may dive purely for the experience of diving, most divers have some additional reason for being underwater. Todd, Mike, eds. "Using basic equipment".
