

Dinghy Guide 2011

The foils (i.e. the daggerboard or centreboard and rudder and sometimes lifting foils as found on the Moth) 6571bdb257 The boat is a World Sailing recognized international class. 6571bdb257 The pre-hydrofoil design Moths are still sailed and raced, but are far slower than their foiled counterparts. 6571bdb257 Side-to-side balance of the dinghy by hiking or movement of the crew, particularly in windy weather ("move fast or swim") 6571bdb257

Bermuda rig Sailing rigs: an illustrated guide. Bermuda rig, Bermudian rig, or Marconi rig is a type of sailing rig that uses a triangular sail set abaft (behind) the mast. Whilst commonly seen in sloop-rigged vessels, Bermuda rig is used in a range of configurations, for instance, a cutter or a schooner (where it may be used in conjunction with gaff rigged sails on other masts), and several other types. London: Chatham. Hamilton Amateur Dinghy Club. It is the typical configuration for most modern sailboats. Bennett, Jenny (2005). Printed by the University of Toronto Press 6571bdb257

RYA lists Five essentials of sailing dinghies as: 6571bdb257 A deep airfoil section centerboard and rudder make the Albacore highly maneuverable. The Albacore's rig uses swept spreaders supporting a tapered mast, a powerful vang, and adjustable jib halyard and other sail controls to depower in high winds. This adjustability enables light crews and heavy crews to race head-to-head in all but the most extreme conditions. It does not have a trapeze or spinnaker, and hence avoids the difficult... 6571bdb257 Sailboatdata.com summarizes the design as "one of the most popular sailing dinghies ever. (In its heyday, the largest sailboat racing class). Origins in the US. Built, sailed and raced around the world to this day." 6571bdb257

Albacore (dinghy) The Albacore is a 4. Hulls The Albacore is a 4. 57 m (15 ft) two-person planing dinghy with fractional sloop rig, for competitive racing and lake and near-inshore day sailing. Hulls are made of either wood or fiberglass. 57 m (15 ft) two-person planing dinghy with fractional sloop rig, for competitive racing and lake and near-inshore day sailing. Recent boats retain the same classic dimensions, and use modern materials and modern control systems. The basic shape was developed in 1954 from an Uffa Fox design, the Swordfish 6571bdb257

The choice of route (in terms of existing and anticipated wind shifts, possible obstacles, other water traffic, currents, tides etc.) 6571bdb257 The trim (forward/rear angle of the boat in the water) 6571bdb257

Girlguiding It is a registered charity and operates the largest girl-only youth organisation in the UK. She became the organisation's Chief Ranger of the British Empire in 1946 Girlguiding is the operating name of The Guide Association in the United Kingdom, previously named The Girl Guides Association, which was formed in 1910. and took her mother, Queen Elizabeth (later the Queen Mother), out in a dinghy. It is the original Girl Guides organisation in the world and, in 1928, became a founding member organisation of the World Association of Girl Guides and Girl Scouts (WAGGGS) 6571bdb257

Minisail (dinghy) org. As the Topper gained popularity in the 1980s, the Minisail disappeared from the scene. The Minisail is a 13-foot single-handed dinghy which was designed by Ian Proctor in 1959 and became popular in the 1960s. The class association website is Minisail. However, on 28 August 2011, a group of enthusiasts restarted the Minisail Class Association, which now has a small but committed following mainly in north-west Europe. It was the predecessor to the The Minisail is a 13-foot single-handed dinghy which was designed by Ian Proctor in 1959 and became popular in the 1960s. It was the predecessor to the Topper and was the first British production boat to popularise the idea of the "sailing surfboard" 6571bdb257

Participants take on adventurous activities, such as climbing, canoeing, sailing and orienteering and have the opportunity to get involved in camps and international events, including girl-only festivals and overseas development projects. In local groups – called 'units' – girls complete badges and challenges that cover topics from circus skills, stargazing and scientific investigation... 6571bdb257 When racing, the above skills need to be refined and additional skills and techniques learned, such as the application of the "racing rules of sailing", boat handling skills... 6571bdb257

JY15 The JY15 is an American one-design centerboard dinghy designed by Rod Johnstone in 1989. The boat was built by JY Sailboats and then by Hunter Marine in The JY15 is an American one-design centerboard dinghy designed by Rod Johnstone in 1989 6571bdb257

Hunter 170 The design was built by Hunter Marine in The Hunter 170 is an American sailing dinghy that was designed the Hunter Design Team and first built in 1999. The Hunter 170 is an American sailing dinghy that was designed the Hunter Design Team and first built in 1999 6571bdb257

Moth (dinghy) Originally a small, fast home-built sailing boat designed to plane, since 2000 it has become an The Moth is a small development class of sailing dinghy. The Moth is a small development class of sailing

dinghy. Originally a small, fast home-built sailing boat designed to plane, since 2000 it has become an expensive and largely commercially produced boat designed to hydroplane on foils though many are still built at home, typically at much lower cost 6571bdb257

Montgomery Dinghy Dawdle Increasing difficulty with supervising this aspect of the event led to it being held on sections that did not involve crossing roads, and so it became a social event, rather than a campaigning tool. Early events involved stopping the traffic and carrying boats over a road where a low bridge prevented using the canal. This led the organisers, the Shropshire Union Canal Society, to cancel the event after 2011, but the Friends of the Montgomery Canal took it over, and turned it into a triathlon, with cycling, walking. It involved unpowered craft such as dinghies, canoes and coracles travelling along the canal. The Montgomery Dinghy Dawdle was an event held annually between 1985 and 2011 to promote use and awareness of the Montgomery Canal, and to highlight the The Montgomery Dinghy Dawdle was an event held annually between 1985 and 2011 to promote use and awareness of the Montgomery Canal, and to highlight the road bridges which had been lowered 6571bdb257

Dinghy sailing Dinghy sailing is the activity of sailing small boats usually for fun, learning necessary sailing skills (often also within family), and competition - Dinghy sailing is the activity of sailing small boats - usually for fun, learning necessary sailing skills (often also within family), and competition 6571bdb257

Bermuda rig takes its name from Bermuda, where it was developed in the 17th century. The term Marconi, a reference to the inventor of the radio, Guglielmo Marconi, became associated with this configuration in the early 20th century, because the wires that stabilize the mast of a Bermuda rig reminded observers of the wires on early radio masts. 6571bdb257

Snipe (dinghy) Crosby as a one design racer and first built in 1931. The boat is a World Sailing The Snipe is an American sailing dinghy that was designed by William F. Crosby as a one design racer and first built in 1931. The Snipe is an American sailing dinghy that was designed by William F 6571bdb257
