Social emotional development org. Retrieved 2020-10-21. It is a gradual, integrative process through which children acquire the capacity to understand, experience, express, and manage emotions and to develop meaningful relationships with others. As such, social emotional development encompasses a large range of skills and constructs, including, but not limited to: self-awareness, joint attention, play, theory of mind (or understanding others' perspectives), self-esteem, emotion regulation, friendships, and identity development. Human Development, Learning and Diversity 2015-2016: Third Custom Edition for the University of British Social emotional development represents a specific domain of child development. It's possible to update this page by following the procedure below: ee2d5ac0f6 A good article (GA) is a Wikipedia article that meets a core set of editorial standards, the good article criteria, passing through the good article nomination process successfully. They are well-written, contain factually accurate and verifiable information, are broad in coverage, neutral in point of view, stable, and illustrated, where possible, by relevant images with suitable copyright licenses. Good articles do not have to be as comprehensive as featured articles (FA), but they should not omit any major facets: a comparison of the criteria for good and featured articles describes further differences. ee2d5ac0f6
