HRMI breaks down the right to education by looking at the rights to both primary education and secondary education. While taking into consideration Serbia's income level, the nation is achieving 84.7% of what should be possible based on its resources (income) for primary education and 93.0% for secondary education. e474b13424

Anti-Palestinianism Modern anti-Palestinianism—that is, xenophobia or racism towards Palestinians—is most common in Israel, the United States, Lebanon, and Germany, among other countries. Another Israeli civics textbook completely omits discussion of the dispute over the occupied territories. In civics high school matriculation Anti-Palestinianism or anti-Palestinian racism is the prejudice, collective hatred, and discrimination directed at the Palestinian people for any variety of reasons. Historically, anti-Palestinianism was more closely identified with European antisemitism, as far-right Europeans detested the Jewish people as undesirable foreigners from Palestine. Since the mid-20th century, the phenomenon has largely overlapped with anti-Arab racism and Islamophobia because the overwhelming majority of Palestinians today are Arabs and Muslims. ministers e474b13424
