Wikipedia:Language learning centre/Word list You can use the list to generate your own lists in whatever language you're learning and to test yourself. A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource. paltry paludal pampas pamper pampered pampering pampers pamphlet pamphleteer pamphleteers pamphlets pan panacea panaceas panache panama pancake pancaked Drawing up a comprehensive list of words in English is important as a reference when learning a language as it will show the equivalent words you need to learn in the other language to achieve fluency 48d4bf0cd7

Speciesism The term has several different definitions. Ryder, who coined the term, defined it as "a prejudice or attitude of bias in favour of the interests of members of one's own species and against those of members of other species". Speciesism results in the belief that humans have the right to use non-human animals in exploitative ways which is pervasive in the modern society. Richard D. Some specifically define speciesism as discrimination or unjustified treatment based on an individual's species membership, while others define it as differential treatment without regard to whether the treatment is justified or not. Studies from 2015 and 2019 suggest that people who support animal exploitation. He condemned the human-centric perspective and urged consideration of victims' viewpoints, concluding Speciesism () is a term used in philosophy regarding the treatment of individuals of different species. to denying ethical relations among human groups 48d4bf0cd7

While its American practice was ostensibly about improving genetic quality, it has been argued that eugenics was more about preserving the position of the dominant groups in the population. Scholarly research has determined that people who found themselves targets of the eugenics movement were those who were seen as unfit for society—the poor, the disabled, the mentally ill, and specific communities of color—and a disproportionate number of those who fell victim to eugenicists... 48d4bf0cd7 The following discussion is an archived debate of the proposed deletion of the article below.
