Since Batman first appeared in Detective Comics #27 (May 1939), his supporting cast has expanded to include other superheroes, and has become what is now called the "Bat-family". As with most superheroes, a cast of recurring enemies to the Batman family have been introduced throughout the years, collectively referred to as Batman's "rogues gallery". Many characters from Batman's rogues gallery who are criminally insane become patients at Arkham Asylum after they are apprehended. Simmons is a government assassin who died and went to Hell for his crimes against humanity. Following a deal with Malebolgia, Simmons is given new life as a Hellspawn and the chance to see his wife Wanda once again. The deal is revealed to be a trick, as Simmons is brought back to life five years after his death, unrecognizable to his wife and missing many of his memories. With little other choice, Simmons adopts his new hell-inspired identity as Spawn in an effort to atone for his past sins and use his newfound powers for good. == Early life ==
