Etiquette In modern English usage, the French word *étiquette* (label and tag) dates from the year 1750 and also originates from the French word for "ticket," possibly symbolizing a person's entry into society through proper behavior. There are many important historical figures that have helped to shape the meaning of the term as well as provide varying perspectives. *Etiquette* (/ˈetɪkət, -kɪt/) can be defined as a set of norms of personal behavior in polite society, usually occurring in the form of an ethical code. *Etiquette* (/ˈetɪkət, -kɪt/) can be defined as a set of norms of personal behavior in polite society, usually occurring in the form of an ethical code of the expected and accepted social behaviors that accord with the conventions and norms observed and practiced by a society, a social class, or a social group.

After being picked, the corn's sugar converts into starch: it takes only one day for it to lose up to 25% of its sweetness, so it is ideally cooked on the same day as it is harvested. Corn on the cob is normally eaten while still warm, and is often seasoned with salt and butter. Some diners use specialized skewers, thrust into the ends of the cob, to hold the ear while eating without touching the hot and sticky kernels.

Most Indians wash their hands thoroughly prior to dining, then eat with their hands, with the use of minimal cutlery (practice followed in some parts of India, in other parts cutlery use is common). This practice is historic and premised on the cultural premise that eating is a sensory activity, and touch is part of the experience along with the taste, aroma of the food, and its presentation such as on a thali, or on a large plate made from washed banana leaf (used in south), or stitched and washed siali (used in the north) leaves. Traditionally, the fingers are also used to feel the temperature of the food to one's taste and to combine flavors. bb2d9d25c2 Indian food is also heavily influenced by religion, in particular Hinduism and Islam, cultural choices and traditions. Historical events such as invasions, trade relations, and colonialism have played a role in introducing certain foods to India. The Columbian discovery of the New World brought a number of new vegetables and fruits. A number of these such as potatoes, tomatoes, chillies, peanuts, and guava have become staples in many regions of India. bb2d9d25c2
