They would return for the 1991 sequel *Terminator 2: Judgment Day* (or T2). Both films were critical and commercial successes. *Terminator 3: Rise of the Machines* (or T3) was released in 2003 to positive reviews, followed by *Terminator Salvation* in 2009...

Terminator (franchise) of the company hoped to start a new trilogy based on the franchise. However, due to the box office failure of the fourth film and legal troubles, the *Salvation Terminator* is an American media franchise created by James Cameron and Gale Anne Hurd. A prominent *Terminator* model throughout the films is the T-800, commonly known as "the Terminator", with instances of this model portrayed by Arnold Schwarzenegger. Much of the franchise takes place in time periods prior to the Skynet takeover, with both humans and Terminators using time travel to attempt to alter the past and change the outcome of the future. In this future, Skynet uses an arsenal of cyborgs known as Terminators, designed to mimic humans and infiltrate the resistance. It is considered to be of the cyberpunk subgenre of science fiction. The franchise primarily focuses on the events leading to a future post-apocalyptic war between a synthetic intelligence known as Skynet, and a surviving resistance of humans led by John Connor
