For the franchisor, use of a franchise system is an alternative business growth strategy, compared to expansion through corporate owned outlets or "chain stores". Adopting a franchise system business growth... 2d6a661fc5

Potsdamer Platz It is named after the city of Potsdam, some 25 km (16 mi) to the south west, and marks the point where the old road from Potsdam passed through the city wall of Berlin at the Potsdam Gate. Initially, the open area near the city gate was used for military drills and parades. In the 19th into the 20th century, it developed from an intersection of suburban thoroughfares into the most bustling traffic intersection in Europe. office and shopping complex also houses the five-star Ritz Carlton and Marriott hotels. The area was totally destroyed during World War II and then left desolate. The fourth part is the Park Kolonnaden, a range of buildings running Potsdamer Platz (German: ['pɔtsdame plats] , Potsdam Square) is a public square and traffic intersection in the center of Berlin, Germany, lying about 1 km (1,100 yd) south of the Brandenburg Gate and the Reichstag (German Parliament Building), and close to the southeast corner of the Tiergarten park 2d6a661fc5

Franchising Franchising has grown rapidly in Europe Franchising is based on a marketing concept which can be adopted by an organization as a strategy for business expansion. Where implemented, a franchisor licenses some or all of its know-how, procedures, intellectual property, use of its business model, brand, and rights to sell its branded products and services to a franchisee. In return, the franchisee pays certain fees and agrees to comply with certain obligations, typically set out in a franchise agreement. present in Kazakhstan through the franchise system include Pepsi, Hilton, Marriott, Intercontinental, and Pizza Hut 2d6a661fc5
