Viking Adult Viking Children's Books The synthesis was defined differently by its founders, with Ernst Mayr in 1959, G. Ledyard Stebbins in 1966, and Theodosius Dobzhansky in 1974 offering differing basic postulates, though they all include natural selection, working on heritable variation supplied by mutation. Other major figures in the synthesis included E. B. Ford, Bernhard Rensch, Ivan Schmalhausen, and George Gaylord Simpson. An early event in the modern synthesis was R. A. Fisher's 1918 paper on mathematical population genetics, though William Bateson, and separately Udny Yule, had already started to show how Mendelian genetics could work in evolution in 1902. == Imprints == History == The 1946 resolution of the Central Committee was directed against two literary magazines, Zvezda and Leningrad, which had published supposedly apolitical, "bourgeois", individualistic works of the satirist Mikhail Zoshchenko and the poet Anna Akhmatova. Zhdanov Doctrine Zhdanovism soon became a Soviet cultural policy, meaning that Soviet artists, writers and intelligentsia in general had to conform to the party line in their creative works. critics and literary historians were denounced for suggesting that Russian classics had been influenced by Jean-Jacques Rousseau, Molière, Lord Byron or Charles The Zhdanov Doctrine (also called Zhdanovism or Zhdanovshchina; Russian: доктрина Жданова, ждановизм, ждановщина) was a Soviet cultural doctrine developed by Central Committee secretary Andrei Zhdanov in 1946. The main principle of the Zhdanov Doctrine was often summarized by the phrase "The only conflict that is possible in Soviet culture is the conflict between good and best". The policy remained in effect until the death of Joseph Stalin in 1953. Under this policy, artists who failed to comply with the government's wishes risked persecution

One of the examples of contrapasso occurs in the fourth Bolgia of the eighth circle of Hell, where the sorcerers, astrologers, and false prophets have their heads turned back on their bodies such that it is "necessary to walk backward because they could not see ahead of them." This alludes to the consequences of predicting the future by evil means and displays the twisted nature of magic in general. This example of contrapasso "functions not merely as a form of divine revenge, but rather as the fulfillment of a destiny freely chosen by each soul during his or her life." == Background of sources == On November 25, 2020, The New York Times reported that Penguin Random House was planning to purchase Simon & Schuster from ViacomCBS (later known as Paramount Global) for \$2.175 billion. However, on... The word contrapasso can be found in Inferno, in which the decapitated Bertran de Born declares: Così s'osserva in me lo Contrapasso (XXVIII.142), which was translated by Longfellow as "thus is observed in me the counterpoise", and by Singleton as "thus is the retribution observed in me."
