

Gilera Runner Vx 125 Manual

Gilera Runner fuel consumption. The model range was revised in 2005 with an all new model introduced in 2009. All 50 cc Runner models were restricted to 28 mph (45 km/h) to comply with European law. The Runner was initially only available with two stroke engines with 125 cc and 180 cc four stroke versions arriving in 1998 and the larger two stroke versions phased out. The VXR 180 was The Gilera Runner is a scooter manufactured by Italian company Piaggio under the Gilera brand, designed by Luciano Marabese of Marabese Design Srl. It is noted for its unusual style, high performance and good handling. The first generation of Gilera Runner had four-stroke variants added initially in VX 125 (124 cc) and VXR 180 guises. The 125, 180 and 200cc models were not restricted 46bd895e50
