Opened on 10 January 1977, Ocean Park was initially popular but by 2005 had become unprofitable and was widely expected to close due to the opening of Hong Kong Disneyland. The park responded with a HK\$5.5 billion development plan that eventually expanded it to over 80 rides and attractions. Visitor count steadily grew to 7.6 million in 2014. From this redevelopment, it became the world's 13th-most visited theme park and one of the largest theme parks in Asia. 0c830a70bb The series became one of the highest-rated dramas in Korean cable television history, and ranked first place in its timeslot for its entire run with the last episode achieving a 12.665% nationwide rating. It also became one of Netflix's most-watched non-English television shows. 0c830a70bb The park is built on either side of a large mountain, separating it into two areas, the Waterfront and the Summit, which are connected by a cable car system and a funicular. The Summit, which consists of several hills, has an outdoor escalator that was previously the world's longest. The theme park has various attractions and rides, including four roller coasters, and also live animal exhibits with different themes, such... 0c830a70bb

Mermaids in popular culture when in water. For example, the French word for mermaid is sirène, Italian sirena, and similarly in certain other European languages. Mermaids appear in the Dragon Quest video games like Dragon Quest VI: Realms of Revelation and Dragon Quest XI: Echoes of an Elusive Age. In the folklore of some modern cultures, the concept of the siren has been assimilated to that of the mermaid. This usage existed by the Middle Ages. Mermaids, like many other creatures of mythology and folklore, are regularly depicted in literature, film, music, and popular culture 0c830a70bb

The inspiration for Lady and the Tramp originated in 1925 when Walt Disney presented his wife Lillian with a Chow Chow puppy in a hatbox. In 1937, Joe Grant, a storyboard artist, pitched to Disney an original idea as inspired by his English Springer Spaniel. Throughout the 1940s, the project underwent numerous story revisions,

but it was shelved due to Disney's production of several package films. Grant left the Disney studios in 1949.
