Born Yesterday (1950 film) The screenplay was credited to Albert Mannheimer. According to Kanin's autobiography, Cukor did not like Mannheimer's work, believing it lacked much of the play's value, so he approached Kanin about adapting a screenplay from his own play. The film tells the story of an uneducated young woman, Billie Dawn (played by Judy Holliday, in an Oscar-winning performance), and an uncouth, older, wealthy junkyard tycoon, Harry Brock (Broderick Crawford) who comes to Washington, D.C., to try to "buy" a congressman. When Billie embarrasses him socially, Harry hires journalist Paul Verrall (William Holden) to educate her. In the process, Billie learns how corrupt Harry is, and eventually falls in love with Paul. fe0ea42f13 The film was produced and released by Columbia Pictures. However, when the album's lead single, "Stronger", a dance ballad, was released on 5 July 1999, many fans were unsure of Barlow's change in direction, and the single only peaked at number 16 on the UK Singles Chart. At the time, the British press had been ridiculing Barlow for not providing the media the headlines that they craved about his private life, and that his ex-bandmate, Robbie Williams, had regularly been in the papers with his erratic behaviour and party lifestyle. In an attempt to create a hype for the album, Barlow released "For All That You Want" as the album's second single, which entered and peaked at number 24 on the UK Singles Chart. fe0ea42f13 The album also marked the emergence of the band's bass player Chris Hillman as a talented songwriter and vocalist. Prior to Younger Than Yesterday, Hillman had only received one shared writing credit with the Byrds, but this album saw him credited as the sole composer of four songs and a co-writer of "So You Want to Be a Rock 'n' Roll Star". Byrds expert Tim Connors has remarked that two of Hillman's compositions on Younger Than Yesterday exhibited country and western influences and thus can be seen as early indicators of the country rock experimentation that would feature—to a greater or lesser degree—on all of the Byrds' subsequent albums. fe0ea42f13

Simon began his film career at Warner Bros. in 1935, directing screen tests. He became so proficient that Universal Pictures assigned him to fashion several tests into a short-subject special titled Screen Test. Screen Test and a few Universal feature assignments earned him an invitation from MGM to direct. He became a comedy specialist, supervising many of the slapstick sequences in the Marx Brothers' The Big Store. He directed Red Skelton's first starring feature, 1941's Whistling in the Dark, and in 1948 worked on two more Skelton vehicles, MGM's A Southern Yankee (replacing the scheduled director Edward Sedgwick) and Columbia Pictures' The Fuller Brush Man. Simon also directed Wallace Beery in Bad Bascomb (1946), and a Glenn Ford western, Lust for Gold (1949). fe0ea42f13 Alexander Kluge's film Yesterday Girl marks a shift in German cinema. Determined to create a new cinematic language, Kluge helped pioneer the new wave of German Cinema by rejecting certain film conventions. Utilizing a jarring editing style, discontinuous sound and a non-sequential narrative, Yesterday Girl effectively destabilizes its audience and conveys a sense of chaos within Germany in the 1960's. Due to its lack of structure, the film almost seems spontaneous... fe0ea42f13 == The Dialogue of Yesterday Girl == fe0ea42f13
