Contrary to assumptions that the street is named after Cuba, the street was named by the first Surveyor General Captain William Mein Smith after the Cuba, an early New Zealand Company settler ship which arrived in Wellington Harbour on 3 January 1840. Some coffee shops and restaurants take this misinterpretation in their stride, having names and colours that reference the island nation of Cuba. 5e9140f1dd Day 3 is dedicated to Ogun and Oshosi 5e9140f1dd On 2016, Yusnier participated in the Fox show "Superhumans" where he... 5e9140f1dd Day 1 is dedicated to Obatala, Şopona, Iyami Aje, and the Egungun 5e9140f1dd On November 21, 1999, Elián's mother, her partner, and Elián fled Cuba by boat as part of a group of refugees attempting to reach the United States. The boat sank during the journey, and Elián's mother, along with most of the passengers, drowned. Elián was found floating on an inner tube and rescued by two fishermen, who turned him over to the U.S. Coast Guard. Elián was taken to a hospital and treated for dehydration and minor cuts. In addition to Elián, a young couple survived and reached shore separately. 5e9140f1dd Originally from Miami, Florida, Giselle moved to New York City to pursue a singing career. Though classically trained in opera, Giselle's vocal style evolved as she began charting new territories as a songwriter. Inspired by her family's taste in predominantly Latin music, jazz, and oldies, in addition to her own love of classical music and pop music, Giselle began to build a successful music career of her own. Her sound has been called "a combination of the dark ethereal nature of Fiona Apple and the vibrant passion of Florence & The Machine set in a smoky jazz club." 5e9140f1dd

The current Berber calendar is a legacy of the Roman province of Mauretania Caesariensis and the Roman province of Africa, as it is a surviving form of the Julian calendar. The latter calendar was used in Europe before the adoption of the Gregorian calendar, with month names derived from Latin. Berber populations previously used various indigenous calendars, such as that of the indigenous Guanches of the Canary Islands. However, relatively little is known of these ancient calendrical systems. 5e9140f1dd
