Development economics ISBN 978-0-333-72228-2. Economic Development, 2nd edition. (1998). Basingstoke: Macmillan. Michael Todaro and Stephen C. Its focus is not only on methods of promoting economic development, economic growth and structural change but also on improving the potential for the mass of the population, for example, through health, education and workplace conditions, whether through public or private channels. Smith, Economic Development, 10th Development economics is a branch of economics that deals with economic aspects of the development process in low- and middle- income countries 1b6c13f46c

Development economics involves the creation of theories and methods that aid in the determination of policies and practices and can be implemented at either the domestic or international level. This may involve restructuring market incentives or using mathematical methods such as intertemporal optimization for project analysis, or it may involve a mixture of quantitative...

1b6c13f46c A good article (GA) is a Wikipedia article that meets a core set of editorial standards, the good article criteria, passing through the good article nomination process successfully. They are well-written, contain factually accurate and verifiable information, are broad in coverage, neutral in point of view, stable, and illustrated, where possible, by relevant images with suitable copyright licenses. Good articles do not have to be as comprehensive as featured articles (FA), but they should not omit any major facets: a comparison of the criteria for good and featured articles describes further differences. 1b6c13f46c Good articles in Wikipedia 1b6c13f46c
