A-level (United Kingdom) modular to the current linear structure. It is available as an alternative qualification in other countries, where it is similarly known as an A-Level. British Examination Boards (Edexcel, AQA and OCR) regulated and accredited by the government of the United Kingdom The A-level (Advanced Level) is a main school leaving qualification of the General Certificate of Education in England, Wales, Northern Ireland, the Channel Islands and the Isle of Man dfbd65ac41

Updating message box icons to match Codex icons dfbd65ac41 Students generally study for A-levels over a two-year period. For much of their history, A-levels have been examined

by written exams taken at the end of these two years. A more modular approach to examination became common in many subjects starting in the late 1980s, and standard for September 2000 and later cohorts, with students taking their subjects to the half-credit "AS" level after one year and proceeding to full A-level the next year (sometimes in fewer subjects). In 2015, Ofqual decided to... dfbd65ac41 A number of Commonwealth countries have developed qualifications with the same name as and a similar format to the British A-levels. A-level In Bangladesh, the GCE AS and A-level are offered by Cambridge International The A-level (Advanced Level) is a subject-based qualification conferred as part of the General Certificate of Education, as well as a school leaving qualification offered by the educational bodies in the United Kingdom and the educational authorities of British Crown dependencies to students completing secondary or pre-university education. They were introduced in England and Wales in 1951 to replace the Higher School Certificate. The A-level permits students to have potential access to a chosen university they applied to with UCAS points. include Cambridge International Education (CIE), Pearson Edexcel, and

OxfordAQA. They could be accepted into it should they meet the requirements of the university dfbd65ac41
