Because of its size, Martin and his publishers split the narrative of the still-unfinished manuscript for A Feast for Crows into two books. Rather than divide the text chronologically in half, Martin instead split the material by plot location, resulting in "two novels taking place simultaneously" with different casts of characters. A Feast for Crows was published months later, focusing mainly on southern Westeros. The concurrent novel A Dance with Dragons, which focuses on other locations such as the North, the Wall... c295a92c75
