Ski patrol Due to the remote location and terrain, transportation is often limited to Rescue toboggan, snowmobile, or, for life-compromising injuries or extremely remote terrain, helicopter rescue. Many have technical-medical certifications, such as Outdoor Emergency Care (OEC) provided by the National Ski Patrol (USA), that are specific to the winter-season environment and providing emergency medical services in remote locations. Many patrollers also hold EMS issued credentials, such as emergency medical technician or any other pre-hospital care certification. Ski patrols are organizations that provide medical, rescue, and hazard prevention services to the injured in ski area boundaries, or sometimes beyond into Ski patrols are organizations that provide medical, rescue, and hazard prevention services to the injured in ski area boundaries, or sometimes beyond into backcountry settings. Depending on the ski area terrain, ski patrollers can be versed in e9220386ef

Zhuk-class patrol boat The vessels had a cheap design suitable for mass production, with a single simple radar unit and manually-aimed machine guns. The vessels were primarily used by the KGB Border Troop Maritime Units. Over 300 boats were built between 1969

and 1991. The Zhuk-class patrol boat, Soviet designation Project 1400 "Grif", is a class of small border patrol vessels built in the Soviet Union and its successor states.

Membership in the organization consists of cadets ranging from 12 to just under 21 years of age, and senior members 18 years of age and up. These two groups each have the opportunity to participate in a wide variety of pursuits; the cadet program contributes to the development of the former group with a structured syllabus and an organization based upon United States Air Force ranks...

Civil Air Patrol CAP is a volunteer organization with an aviation-minded membership that includes members from all backgrounds. missions, including anti-submarine patrol and warfare, border patrols, and courier services. CAP's coastal patrol reportedly flew 24 million miles and Civil Air Patrol (CAP) is a congressionally chartered, federally supported non-profit corporation that serves as the official civilian auxiliary of the United States Air Force (USAF). The program is established as an organization by Title 10 of the United States Code and its purposes defined by Title 36.

Awards and decorations of the Civil Air Patrol decorations of Civil Air Patrol are "designed to recognize heroism, service, and program achievements" of members of Civil Air Patrol (CAP) of the United States. The awards and decorations of Civil Air Patrol are "designed to recognize heroism, service, and program achievements" of members of Civil Air Patrol (CAP) of the United States of America. Civil Air Patrol regulations allow them to only be worn and displayed on appropriate CAP uniforms. CAP is the official auxiliary of the United States Air Force. These awards are all worn in the form of medals or ribbons and all are considered civilian decorations. These awards are made to improve the esprit de corps of members.

Carrier Aircraft Service Units These Carrier Aircraft Service Units (CASU) were United States Navy units formed during World War II for the Pacific War to support naval aircraft operations. From 1942 to 1946, 69 Carrier Aircraft Service Units were formed to repair and maintain aircraft. The CASU-11, was deployed on January 22, 1943, at Naval Air Station San Diego. The first unit was deployed to Naval Station Pearl Harbor. Patrol Service units, (PatSU) were like Carrier Aircraft Service Units but specialized on maintaining land-based patrol aircraft. few destroyers. During the war the Navy lacked enough aircraft carriers to complete all the operational requirements.

Kagitingan-class patrol craft The Kagitingan class is a ship class of coastal patrol boats currently in service with the Philippine Navy. The Kagitingan class was designed in Germany The Kagitingan class is a ship class of coastal patrol boats currently in service with the Philippine Navy e9220386ef

The class was due to be replaced by 2010, but a request for tender was not issued until June of that year. The availability of the Bay class ships decreased during the later years of their service life. After the Cape class began entering service, four of the Bays were offered to other forces; two each to the Sri Lankan Navy and the Malaysian Maritime Enforcement Agency. e9220386ef

Australian Aerial Patrol It was formed in 1957 following a meeting convened by the City of Greater Wollongong Council, with a charter to maintain the safety and the welfare of the community through aerial observation and support. The patrol is accredited as a specialist agency in accordance with the State Rescue Manual, administered by the NSW Rescue and Emergency Services Board The Australian Aerial Patrol is an aerial observation and support service in New South Wales, Australia. The Aerial Patrol is available to respond to emergencies 24 hours a day, 365 days a year e9220386ef

Nissan Patrol Nissan parts dealers do not recognise The Nissan Patrol (Japanese: 日産パトロール, Hepburn: Nissan Patorōru) is a series of off-road vehicles and full-size SUVs manufactured by Nissan in Japan since 1951 and sold throughout the world. In 1983, the MQ was updated as MK Patrol, but this does not appear on any Nissan literature or service manuals. vehicles. It is Nissan's longest running series of models e9220386ef

Bay-class patrol boat armed patrol boats, built by Austal and used by the Customs Marine Unit of the Australian Customs and Border Protection Service. They entered service during the late 1990s and early 2000s, and are primarily used on border protection duties. They entered service during The Bay class is a class of eight armed patrol boats, built by Austal and used by the Customs Marine Unit of the Australian Customs and Border Protection Service e9220386ef

The Patrol has been available as either a short-wheelbase (SWB) three-door or a long-wheelbase (LWB) five-door chassis since 1951. The LWB version has been offered in pickup truck and cab chassis variants. Between 1988 and 1994, Ford Australia marketed the Patrol as the Ford Maverick. In some European countries, such as Spain, the Patrol was marketed by Ebro as the Ebro Patrol. In 1980 in Japan, it was rebadged and

alternately sold at Nissan Prince Store locations as the Nissan Safari. e9220386ef In order to be considered for one of these awards, an individual must be a Civil Air Patrol member in good standing at the time of the act being recognized. There is a statute of limitations for these awards and all recommendations must be submitted within two years of the act being... e9220386ef
