The United Blood Nation was formed on July 16, 1993, when incarcerated gang leader Leonard "OG Dead Eye" McKenzie allied several gangs to protect members from the dominant Hispanic gangs. The UBN was established as the New York branch of the California-based Bloods, to which its members are loosely affiliated, and the gang spread along the East Coast as members were released from prison. 8ea6dd7138 Police, sometimes referred to as bluebloods 8ea6dd7138

Originally written by Danny Bilson and Paul De Meo in 2013, the script was re-worked by Lee and Kevin Willmott following the pair's successful collaboration in BlacKkKlansman (2018). The cast joined in February 2019 and filming began a month later, lasting through June and taking place in Southeast Asia. Unconfirmed rumours state that one of the founding members of the gang was a former member of a New York-based gang known as G-Shine Bloods, who had relocated to the neighborhood in the early 2000s. Officers allege that they effectively dismantled the gang operation in 2013, following the year-long Project Traveller investigation.
