Angel Sanctuary Angel Sanctuary made cultural references to various mythologies, including Greek and Norse, as well as to real-world people, music, literature, and places. Titled Coming of the Seraphim in the early stages of its development, Angel Sanctuary was inspired by the Japanese fantasy novel Nocturne and was originally slated to be only ten chapters long, which led Yuki to worry about being able to properly end the story. The 120 chapters were collected and published in twenty bound volumes by Hakusensha from February 1995 to February 2001. It follows Setsuna Mudo, a human teenager who, as the reincarnation of a prominent angel who rebelled against Heaven, becomes entangled in political machinations between the angels and demons.
