 17dd68661b The book, though at essence a thriller, contains numerous fantasy or science fiction elements and balances references to numerology and magic with ones to probability- and string theory. The story itself is set in a contemporary or near future setting. This reality is, however, linked to a parallel universe that seems to be a latter day incarnation of Goodkind's The Sword of Truth setting. The story revolves around the character of Alexander Rahl, an artist, whose life becomes increasingly complicated when he meets a woman named Jax who claims to have come from the other world.

17dd68661b Goodkind was a proponent of Ayn Rand's philosophical approach of Objectivism, and made references to Rand's ideas and novels in his works. 17dd68661b
