The character is based on the title character of Hans Christian Andersen's 1837 fairy tale "The Little Mermaid" but was developed into a different personality for the 1989 animated film adaptation. Ariel has received a mixed reception from critics; some

publications such as Time criticize her for being too devoted to Eric whereas others, such as Empire, praise the character for her rebellious personality, a departure from previous Disney Princesses' roles. Halle Bailey portrays a live-action version of the character in the 2023 live-action adaptation of the original 1989 film. cf6533d98c == Introduced in The Little Mermaid == cf6533d98c Most aspects of human biology are identical or very similar to general mammalian biology.
