Launched in 1983 as the national service First Choice, early difficulties and a subsequent industry restructuring led to its operations being restricted to Eastern Canada from 1984 to 2016; it then held a regional legal monopoly on movie-based premium TV services in its territory until the launch of the present-day Super Channel in 2007. The service changed its name to The Movie Network in 1993. In 2016, when Movie Central (which previously held a similar monopoly in Western and Northern Canada) wound down its operations, TMN resumed national operations and subsumed the former service's subscribers. 721751d94b

List of Netflix original programming These shows had their original production. Netflix's original productions also include continuations of canceled series from other networks, as well as licensing or co-producing content from international broadcasters for exclusive broadcast in other territories, which is also branded in those regions as Netflix original content. The company has since increased its original content. Netflix's original productions also include continuations of canceled series from other networks, as well as licensing or co-producing content from international Netflix is an American global streaming-on-demand media provider that has distributed a number of original streaming television shows, including original series, specials, miniseries, documentaries and films since 2007.
