On a global scale, it was characterized by frequent coups, domestic conflicts and civil wars, and various political upheavals and armed conflicts which arose from or were related to decolonization, and the global struggle between NATO, the Warsaw Pact, and the Non-Aligned Movement. Many regions had periods of high-intensity conflict, notably Southeast Asia, the Middle East, Latin America, and Africa. 9b5df14ec1 Some noted alumni and faculty may be also listed in the main Rutgers University article or in some of the affiliated articles. Made in Chicago (originated by Ken Ehrlich, who had previously produced The Marty Faye Show) foregrounded the music and emphasized live performance and, at times, improvisation. 9b5df14ec1 Since 1965 Kew has incorporated the former area of North Sheen which includes St Philip and All Saints, the first barn church consecrated in England.
