Most newspapers are businesses, and they pay their expenses with a mixture of subscription revenue, newsstand sales, and advertising revenue. The journalism organizations that publish newspapers are themselves often metonymically called newspapers. Newspapers have traditionally been published in print (usually on cheap, low-grade paper... 1c8b835b11 While kindergarten (nursery school) is optional, formal education is compulsory for all children from the age of 6-7. Details vary from state to state. For example, in Bavaria, children need to attend school for a total of 12 years (of which 3 may be for an apprenticeship); while in Brandenburg, school must be attended until the end of the school year in which the pupil turns 18. Students can complete three

types of school leaving qualifications, ranging from the more vocational Hauptschulabschluss and Mittlere Reife over to the more academic Abitur. The latter permits students to apply to study at university level. A bachelor's degree is commonly...
