Despite this recovery, the Cold War developed from its modest beginnings in the late 1940s to a heated competition between the Soviet Union and the United States by the early 1960s. The ideological clash between communism and capitalism dominated the

decade, especially in the Northern Hemisphere. 6b563d9cb6 Villard began as an independent imprint of Random House and is currently a sub-imprint of Ballantine Books, itself an imprint of Random House. It was named after a Stanford White brownstone mansion on Madison Avenue that was the home of Random House for twenty years. 6b563d9cb6 Curtice was born in Petrieville, Michigan. He joined General Motors at age 20, and rose through its AC Spark Plug division to head it by age 36, and made the division profitable during the Depression. Selected to head the Buick division of GM, he expanded its line and made it profitable in the 1930s. 6b563d9cb6 Throughout the decade, the world continued its recovery from World War II, aided by the post-World War II economic expansion. The period also saw great population growth with increased birth rates and the emergence of the baby boomer generation. 6b563d9cb6
