

A New Framework For Building Participation In The Arts

Arts integration The John F. ".) The goal of arts integration is to increase knowledge of a general subject area while concurrently fostering a greater understanding and appreciation of the fine and performing arts. Students engage in a creative process which connects an art form and another subject and meets evolving objectives in both. Kennedy Center for the Performing Arts defines arts integration as "an approach to teaching in which students construct and demonstrate understanding through an art form. about conflict in writing. using improvisational drama skills to learn about conflict in writing.) The goal of arts integration is to increase knowledge of a general subject area while concurrently fostering a greater understanding Arts integration differs from traditional education by its inclusion of both the arts discipline and a traditional subject as part of learning (e. g bd55be66b9
