Mister Miracle debuted in the first issue of the eponymous series cover dated April 1971 as part of the Fourth World tetralogy. Big Barda, the character's love interest, was introduced in Mister Miracle #4 (October 1971). According to creator Jack Kirby's then-assistant Mark Evanier, Kirby wanted to be a comics creator and creative supervisor at DC Comics, rather than a regular writer-artist: "... we were going to turn Mr. Miracle over to Steve Ditko after a couple of issues and have me write it and Ditko draw it. Carmine Infantino, publisher of DC at the time, vetoed that and said Kirby had to... 65a63cc6b1 Born in Spavinaw, Oklahoma, Mantle was raised by his father to become a baseball player and was trained early on to become a switch hitter. Despite a career plagued with injuries, beginning with his knee injury in the 1951 World Series, he became one of the greatest offensive threats in baseball history, and was able to hit for both average and power. He is the only player to hit 150 home runs from each side of the plate. Mantle hit 536 career home runs while batting .300 or more ten times; he is 16th all-time in home runs per at-bat and 17th in on-base percentage. 65a63cc6b1 A boy comes to King Arthur's court with an enchanted mantle that can not be worn by an unfaithful wife. Guinevere dons it, but appears to be naked: 65a63cc6b1 This symbolism attained a deeper complexity when contrasted with the rose's thorns. This contrast inspired the Christian Latin poet Coelius Sedulius, who wrote (between 430 and 450) a very elaborate comparison between Eve and Mary. He illustrated the parallelism already made by Justin Martyr (around 150) and developed... 65a63cc6b1 Uccello had also originally been commissioned to paint the altarpiece to which this predella would be attached, but that work was instead entrusted to Justus van Gent, who completed the main altarpiece Communion of the Apostles in 1474. 65a63cc6b1

It was then lost until 1858, when it was rediscovered in a barn and moved to the Ducal Palace. It had probably been used as a masons' bench and had been damaged, with the colours altered by traces of lime. It was restored in 1954, revealing previous repainting and repairs. It is now in the Galleria Nazionale delle Marche in Urbino.

The symbolism of the rose is of Greco-Roman heritage, but influenced by and modified through Latin biblical and liturgical texts. In Greco-Roman culture, the rose's symbolic qualities represented beauty, the season of spring, and love. It also spoke of the fleetingness of life, and therefore of death. In Rome the feast called "Rosalia" was a feast of the dead: thus the flower referred to the next world. 65a63cc6b1
