65 6aafd28bcd 97 6aafd28bcd The 2020s began with the COVID-19 pandemic. The
first reports of the virus were published on 31 December 2019, though the first cases
are said to have appeared nearly a month earlier. The pandemic led to a global
economic recession, a sustained rise in global inflation, and a global supply chain
crisis. The World Health Organization declared the virus a global state of emergency

History of India (1947–present) Direct administration by the British, which began in

1858, affected a political and economic unification of the subcontinent. The partition led to a population transfer of more than 10 million people between India and Pakistan and the death of about one million people. Concurrently the Muslim-majority northwest and east of British India was separated into the Dominion of Pakistan, by the Partition of India. When British rule came to an end in 1947, the subcontinent was partitioned along religious lines into two separate countries—India, with a majority of Hindus, and Pakistan, with a majority of Muslims.
